

HOMELESS PERSONS HEALTH ACCESS PROJECT LEAD WORKER

**Fixed Term to 14 September 2025
30.4 hours per fortnight (0.4 FTE)**

The Homeless Persons Health Access Project is designed to pilot and inform a contemporary approach to supporting access to primary care services for those who are homeless or are at risk of being homeless. An action research approach will be taken to identifying service and systems gaps/barriers to accessing primary health care for those at risk or experiencing homelessness while working to address the barriers and improve service integration across the City of Greater Bendigo. The project will utilise emerging evidence from similar projects to inform the model development.

The Homeless Persons Health Access Project Lead Worker will lead the co-design of the project, assist with recruitment, data analysis, reporting, evaluations design and day to day project management. An advisory group will be established to provide expertise and allow for project reflection and project theories to be tested.

About BCHS

Bendigo Community Health Services has cared for the health and wellbeing of the Bendigo community for 50 years. We employ more than 280 people across a broad range of services. The success of BCHS starts with our staff, who have a high level of professionalism and dedication, allowing us to deliver quality services for the community, with a particular focus on vulnerable people.

Added benefits of working with BCHS include:

- Salary packaging
