

## SENIOR LEADER INFORMATION MANAGEMENT AND TECHNOLOGY

76 hours per fortnight (1.0 FTE)

Fixed Term – 2 Years

Technology is a core capability component across all areas of business at Bendigo Community Health Services (BCHS) and BCHS is looking to bolster its resilience in this area. The technology capability enables the BCHS strategic outcomes by supporting our people, processes, and information technology to work efficiently and effectively. This is key in fostering trust and supporting consumers, staff and the community.

### About BCHS

BCHS has cared for the health and wellbeing of the Bendigo community for 50 years. We employ more than 280 people across a broad range of services.

The success of BCHS starts with our staff, who have a high level of professionalism and dedication, allowing us to deliver quality services for the community, with a particular focus on vulnerable people.

Added benefits of working with BCHS include:

- Generous salary packaging
- Purchasing leave
- Study assistance
- Training programs
- Novated leasing

### About the role

Reporting to the Executive Leader Organisational Support, the Senior Leader Information Management and Technology (IMT) leads the IMT team in the integration, development, and implementation of effective ICT within BCHS to support the progression and achievement of the BCHS strategic plan and ICT strategies.

The role is responsible for overseeing all aspects of the BCHS information systems and technology infrastructure. This includes developing and implementing IT strategies, managing IT projects, ensuring the security and integrity of our data, and providing technical training and support to staff members.

The ideal candidate will have a strong background in IT management, excellent leadership skills, and a passion for leveraging technology to drive organisational success.

### Probity requirements

- A Police Check (paid for by BCHS)
