

Better Health Team

COMMUNITY HEALTH NURSE – SEXUAL & REPRODUCTIVE HEALTH

45.6 hours per fortnight (0.6 FTE)

Ongoing

The Position

The Sexual and Reproductive Health team provide an integrated community based multidisciplinary health service which includes a strong focus on women's and men's sexual and reproductive health. They also demonstrate a strong focus on health promotion and the social model of health and a commitment to equity and access.

This position will provide clinical nursing services within the Bendigo Community Health Services (BCHS) Sexual and Reproductive Health hub. Responsibilities include but not limited to; Nurse-led Sexual Health Clinic sessions in collaboration with General Practitioner, coordination of care within the sexual and reproductive health hub (assist with booking appointments, STI/BBV testing, advice and other clinical results and referral follow up as required), cervical screenings, and assist the General Practitioner with Intrauterine devices (IUDs) and Medical Termination of Pregnancy (MTP).

To successfully apply for this position you will need:

1. Current nursing registration with the Australian Health Practitioner Regulation Agency (AHPRA).
2. The ability to provide comprehensive and coordinated sexual health nursing services in a general practice setting.
3. Demonstrated contemporary knowledge and skills in sexual and reproductive health according to qualification competencies.
4. Cervical Screening provider
5. prepared to be involved with termination of pregnancy services.
6. Ability to provide a nurse-led clinic.
7. Demonstrated ability to work as a member of multidisciplinary team with highly developed communication skills.
8. The ability to provide sensitive practice in response to consumer diversity.
