Community Services

School Readiness Program
SPEECH PATHOLOGIST

Hours negotiable both full & part time available
Fixed term to 22 December 2023

The Position

Bendigo Community Health Services is seeking a suitably experienced Speech Pathologist to work in our child-focused, multi-disciplinary team as part of the School Readiness Funding initiative. This is an exciting initiative that provides kindergartens with access to quality programs and support to help children get the most out of their early learning. Through the School Readiness Funding kindergartens with large numbers of educationally disadvantaged children enrolled receive more allied health support.

This is an exciting opportunity for you to work with kindergarten educators and families in kindergarten communities to build their capacity to support young children's learning in the key areas of communication (language development) wellbeing (social and emotional) and access and inclusion. You will enhance the professional and parenting practices of educators and families, using evidence-based practices to benefit all children they work with or care for.

To successfully apply for this position you will need:
1. A graduate or post-graduate degree in Speech Pathology.
2. Current Certified Registration with Speech Pathology Australia.
3. Experience working in paediatric Allied Health.
4. Ability to provide vaccination status information that meets the requirements for healthcare workers.

For further information about the position contact Terrie Killen on 03 5406 1200.
